ii. Bidders may please note:

- (a) The Bidder should quote for the entire package on a single responsibility basis for Services it proposes to provide.
- (b) While submitting the Technical Bid, literature on the Services should be segregated and kept together in one section.
- (c) Care should be taken that the Technical Bid shall not contain any price information. Such proposal, if received, will be rejected.
- (d) The Bid document shall be complete in accordance with various clauses of the RFP document or any addenda/corrigenda or clarifications issued in connection thereto, duly signed by the authorized representative of the Bidder. Board resolution authorizing representative to Bid and make commitments on behalf of the Bidder is to be attached.
- (e) Bids are liable to be rejected if only one Bid (i.e., Technical Bid or Indicative Price Bid) is received.
- (f) If deemed necessary, the Bank may seek clarifications on any aspect from the Bidder. However, that would not entitle the Bidder to change or cause any change in the substances of the Bid already submitted or the price quoted.
- (g) The Bidder may also be asked to give presentation for the purpose of clarification of the Bid.
- (h) The Bidder must provide specific and factual replies to the points raised in the RFP.
- (i) The Bid shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract.
- (j) All the enclosures (Bid submission) shall be serially numbered.

- (k) Bidder(s) should prepare and submit their online Bids well in advance before the prescribed date and time to avoid any delay or problem during the bid submission process. The Bank shall not be held responsible for any sort of delay or the difficulties faced by the Bidder(s) during the submission of online Bids.
- (l) Bidder(s) should ensure that the Bid documents submitted should be free from virus and if the documents could not be opened, due to virus or otherwise, during Bid opening, the Bid is liable to be rejected.
- (m) The Bank reserves the right to reject Bids not conforming to above.

11. DEADLINE FOR SUBMISSION OF BIDS:

- i. Bids must be submitted online by the date and time mentioned in the "Schedule of Events".
- ii. In case the Bank extends the scheduled date of submission of Bid document, the Bids shall be submitted by the time and date rescheduled. All rights and obligations of the Bank and Bidders will remain the same.

12. MODIFICATION AND WITHDRAWAL OF BIDS:

- i. The Bidder may modify or withdraw its Bid after the Bid's submission, provided modification, including substitution or withdrawal of the Bids, is received on e-mail and physical copy, prior to the deadline prescribed for submission of Bids.
- ii. No modification in the Bid shall be allowed, after the deadline for submission of Bids.
- iii. No Bid shall be withdrawn in the interval between the deadline for submission of Bids and the expiration of the period of Bid validity specified in this RFP. Withdrawal of a Bid during this interval may result in the forfeiture of EMD submitted by the Bidder.

13. PERIOD OF BID VALIDITY AND VALIDITY OF PRICE QUOTED IN TENDER:

- i. Bid shall remain valid for duration of 6 calendar months from Bid submission date.
- ii. Price quoted by the Bidder in Tender shall remain valid for duration of 6 calendar months from the date of issuance of Purchase order.
- iii. In exceptional circumstances, the Bank may solicit the Bidders' consent to an

extension of the period of validity. The request and the responses thereto shall be made in writing. A Bidder is free to refuse the request. However, in such case, the Bank will not forfeit its EMD. However, any extension of validity of Bids or price will not entitle the Bidder to revise/modify the Bid document.

iv. Once Purchase Order or Letter of Intent is issued by the Bank, the said price will remain fixed for the entire Contract period and shall not be subjected to variation on any account, including exchange rate fluctuations and custom duty. A Bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected.

14. BID INTEGRITY:

Willful misrepresentation of any fact within the Bid will lead to the cancellation of the contract without prejudice to other actions that the Bank may take. All the submissions, including any accompanying documents, will become property of the Bank. The Bidders shall be deemed to license, and grant all rights to the Bank, to reproduce the whole or any portion of their Bid document for the purpose of evaluation and to disclose the contents of submission for regulatory and legal requirements.

15. BIDDING PROCESS/OPENING OF TECHNICAL BIDS:

- i. All the technical Bids received up to the specified time and date will be opened for initial evaluation on the time and date mentioned in the schedule of events. The technical Bids will be opened in the presence of representatives of the Bidders. However, Bids may be opened even in the absence of representatives of one or more of the Bidders.
- ii. In the first stage, only technical Bid will be opened and evaluated. Bids of such Bidders satisfying eligibility criteria and agree to comply with all the terms and conditions specified in the RFP will be evaluated for technical criteria/specifications/eligibility. Only those Bids complied with technical criteria shall become eligible for indicative price Bid opening and further RFP evaluation process.
- iii. The Bank will examine the Bids to determine whether they are complete, required formats have been furnished, the documents have been properly signed, EMD and Tender Fee for the desired amount and validity period is available and the Bids are generally in order. The Bank may, at its discretion waive any minor non-conformity or irregularity in a Bid which does not constitute a material deviation.

- iv. Prior to the detailed evaluation, the Bank will determine the responsiveness of each Bid to the RFP. For purposes of these Clauses, a responsive Bid is one, which conforms to all the terms and conditions of the RFP in to, without any deviation.
- v. The Bank's determination of a Bid's responsiveness will be based on the contents of the Bid itself, without recourse to extrinsic evidence.
- vi. After opening of the technical Bids and preliminary evaluation, some or all the Bidders may be asked to make presentations on the services related to Supply, installation and support of Web Application Firewall maintenance proposed to be offered by them.
- vii. If a Bid is not responsive, it will be rejected by the Bank and will not subsequently be made responsive by the Bidder by correction of the non-conformity.

16. TECHNICAL EVALUATION:

- i. Technical evaluation will include technical information submitted as per technical Bid format, demonstration of proposed WAF Solution, reference calls and site visits, wherever required. The Bidder may highlight the noteworthy/superior features of their Product/Service. The Bidder will demonstrate/substantiate all claims made in the technical Bid along with supporting documents to the Bank, the capability to provide services related to Supply, installation and maintenance of WAF, which meet all the required functionalities at their cost in their lab or those at other organizations where similar Services are in use.
- ii. During evaluation and comparison of Bids, the Bank may, at its discretion ask the Bidders for clarification on the Bids received. The request for clarification shall be in writing and no change in prices or substance of the Bid shall be sought, offered or permitted. No clarification at the initiative of the Bidder shall be entertained after bid submission date.
- iii. As part of Technical evaluation based on the technical bids submitted by the bidders, Bank at its discretion may call the bidders for conducting Proof of Concept of the WAF solution proposed by them at the locations identified by the Bank. The POC if any shall be undertaken before opening the commercial bids.
- iv. The Bidders are further required to be in preparedness to demonstrate the proposed solution by arranging for the product walk-through at their own installations/ R & D Labs duly meeting the specific requirements given by the Bank.

v. Setting of evaluation criteria for product demonstrations shall be entirely at the discretion of the Bank. The decision of the Bank in this regard shall be final and in this regard, no correspondence shall be considered.

17. EVALUATION OF INDICATIVE PRICE BIDS AND FINALIZATION:

- i. The indicative price Bid(s) of only those Bidders, who are short-listed after technical evaluation, would be opened.
- ii. The Bidder will be selected as L1 on the basis of Technical and Price evaluation
- iii. Errors, if any, in the price breakup format will be rectified as under:
 - (a) If there is a discrepancy between the unit price and total price which is obtained by multiplying the unit price with quantity, the unit price shall prevail and the total price shall be corrected unless it is a lower figure. If the Bidder does not accept the correction of errors, the Bid will be rejected.
 - (b) If there is a discrepancy in the unit price quoted in figures and words, the unit price in figures or in words, as the case may be, which corresponds to the total Bid price for the Bid shall be taken as correct.
 - (c) If the Bidder has not worked out the total Bid price or the total Bid price does not correspond to the unit price quoted either in words or figures, the unit price quoted in words shall be taken as correct.
 - (d) The Bidder should quote for all the services desired in this RFP. In case, prices are not quoted by any Bidder for any specific service, for the purpose of evaluation, the highest of the prices quoted by other Bidders participating in the bidding process will be reckoned as the notional price for that service, for that Bidder. However, if selected, at the time of award of Contract, the lowest of the price(s) quoted by other Bidders (whose Price Bids are also opened) for that service will be reckoned. This shall be binding on all the Bidders. However, the Bank reserves the right to reject all such incomplete Bids.

18. CONTACTING THE BANK:

- i. No Bidder shall contact the Bank on any matter relating to its Bid, from the time of opening of indicative price Bid to the time, the Contract is awarded.
- ii. Any effort by a Bidder to influence the Bank in its decisions on Bid evaluation, Bid comparison or contract award may result in the rejection of the Bid.

19. AWARD CRITERIA AND AWARD OF CONTRACT:

- i. Total cost of Products/Services along with cost of all items specified in **Annexure-G** would be the Total Cost of Ownership (TCO)/Total Project Cost and should be quoted by the Bidder(s) in indicative price bid.
- ii. Upon Techno Commercial Evaluation, the L1 bidder will be declared and Bank will notify successful Bidder in writing by way of issuance of purchase order through letter or email that its Bid has been accepted. The selected Bidder has to return the duplicate copy of the same to the Bank within **7 working days**, duly Accepted, Stamped and Signed by Authorized Signatory in token of acceptance.
- iii. The successful Bidder will have to submit Non-Disclosure Agreement, Bank Guarantee for the amount and validity as desired in this RFP and strictly on the lines of format given in Annexure of this RFP together with acceptance of all terms and conditions of RFP.
- iv. Copy of board resolution and power of attorney (POA wherever applicable) showing that the signatory has been duly authorized to sign the acceptance letter, contract and NDA should be submitted.
- v. The successful Bidder shall be required to enter into a Contract with the Bank and submit the Bank Guarantee, within 15 days from Purchase Order date or within such extended period as may be decided by the Bank.
- vi. Till execution of a formal contract, the RFP, along with the Bank's notification of award by way of issuance of purchase order and Service Provider's acceptance thereof, would be binding contractual obligation between the Bank and the successful Bidder.
- vii. The Bank reserves the right to stipulate, at the time of finalization of the Contract, any other document(s) to be enclosed as a part of the final Contract.
- viii. Failure of the successful Bidder to comply with the requirements/terms and conditions of this RFP shall constitute sufficient grounds for the annulment of the award and forfeiture of the EMD and/or BG.

20. POWER TO VARY OR OMIT WORK:

i. No alterations, amendments, omissions, additions, suspensions or variations of the

work (hereinafter referred to as variation) under the contract shall be made by the successful Bidder except as directed in writing by Bank. The Bank shall have full powers, subject to the provision herein after contained, from time to time during the execution of the contract, by notice in writing to instruct the successful Bidder to make any variation without prejudice to the contract. The finally selected Bidder shall carry out such variation and be bound by the same conditions as far as applicable as though the said variations occurred in the contract documents. If any, suggested variations would, in the opinion of the finally selected Bidder, if carried out, prevent him from fulfilling any of his obligations under the contract, he shall notify Bank thereof in writing with reasons for holding such opinion and Bank shall instruct the successful Bidder to make such other modified variation without prejudice to the contract. The finally selected Bidder shall carry out such variation and be bound by the same conditions as far as applicable as though the said variations occurred in the contract documents. If the Bank confirms its instructions, the successful Bidder's obligations shall be modified to such an extent as may be mutually agreed, if such variation involves extra cost. Any agreed difference in cost occasioned by such variation shall be added to or deducted from the contract price as the case may be.

- ii. In any case in which the successful Bidder has received instructions from the Bank as to the requirements for carrying out the altered or additional substituted work which either then or later on, will in the opinion of the finally selected Bidders, involve a claim for additional payments, such additional payments shall be mutually agreed in line with the terms and conditions of the order.
- iii. If any change in the work is likely to result in reduction in cost, the parties shall agree in writing so as to the extent of change in contract price, before the finally selected Bidder(s) proceeds with the change.

21. WAIVER OF RIGHTS:

Each Party agrees that any delay or omission on the part of the other Party to exercise any right, power or remedy under this RFP will not automatically operate as a waiver of such right, power or remedy or any other right, power or remedy and no waiver will be effective unless it is in writing and signed by the waiving Party. Further the waiver or the single or partial exercise of any right, power or remedy by either Party hereunder on one occasion will not be construed as a bar to a waiver of any successive or other right, power or remedy on any other occasion.

22. CHANGE IN ORDERS:

i. The Bank may, at any time, by a written order given to Service Provider, make

changes within the general scope of the Contract in any one or more of the following:

- (a) Method of shipment or packing;
- (b) Place of delivery;
- (c) Quantities to be supplied subject to 25% above or below the originally declared quantities.
- ii. If any such change causes an increase or decrease in the cost of, or the time required for Service Provider's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by Service Provider for adjustment under this clause must be asserted within 15 days from the date of Service Provider's receipt of Bank's change order.

As used in this definition, the expression "control" means, with respect to a person which is a company or corporation, the ownership, directly or indirectly, of more than 50% (fifty per cent) of the voting shares of such person, and with respect to a person which is not a company or corporation, the power to direct the management and policies of such person by operation of law or by contract.

40. CODE OF INTEGRITY AND DEBARMENT/BANNING:

- i. The Bidder and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the bidding Process. Notwithstanding anything to the contrary contained herein, the Bank shall reject Bid without being liable in any manner whatsoever to the Bidder if it determines that the Bidder has, directly or indirectly or through an agent, engaged in corrupt/fraudulent/coercive/undesirable or restrictive practices in the bidding Process.
- ii. Bidders are obliged under code of integrity to Suo-moto proactively declare any conflicts of interest (pre-existing or as and as soon as these arise at any stage) in

RFP process or execution of contract. Failure to do so would amount to violation of this code of integrity.

- iii. Any Bidder needs to declare any previous transgressions of such a code of integrity with any entity in any country during the last three years or of being debarred by any other procuring entity. Failure to do so would amount to violation of this code of integrity.
- iv. For the purposes of this clause, the following terms shall have the meaning hereinafter, respectively assigned to them:
 - (a) "Corrupt practice" means making offers, solicitation or acceptance of bribe, rewards or gifts or any material benefit, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process or contract execution:
 - (b) "Fraudulent practice" means any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration or providing false information for participation in a RFP process or to secure a contract or in execution of the contract;
 - (c) "Coercive practice" means harming or threatening to harm, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
 - (d) "Anti-competitive practice" means any collusion, bid rigging or anticompetitive arrangement, or any other practice coming under the purview of the Competition Act, 2002, between two or more bidders, with or without the knowledge of the Bank, that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, noncompetitive levels;
 - (e) "Obstructive practice" means materially impede the Bank's or Government agencies investigation into allegations of one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or by impeding the Bank's rights of audit or access to information;

v. Debarment/Banning

Empanelment/participation of Bidders and their eligibility to participate in the Bank's procurements is subject to compliance with code of integrity and performance in contracts as per terms and conditions of contracts. Following grades of debarment from empanelment/participation in the Bank's procurement process shall be considered against delinquent Vendors/Bidders:

(a) Holiday Listing (Temporary Debarment - suspension):

Whenever a Vendor is found lacking in performance, in case of less frequent and less serious misdemeanors, the vendors may be put on a holiday listing (temporary debarment) for a period up to 12 (twelve) months. When a Vendor is on the holiday listing, he is neither invited to bid nor are his bids considered for evaluation during the period of the holiday. The Vendor is, however, not removed from the list of empaneled vendors, if any. Performance issues which may justify holiday listing of the Vendor are:

- Vendors who have not responded to requests for quotation/tenders consecutively three times without furnishing valid reasons, if mandated in the empanelment contract (if applicable);
- Repeated non-performance or performance below specified standards (including after sales services and maintenance services etc.);
- Vendors undergoing process for removal from empanelment/participation in procurement process or banning/debarment may also be put on a holiday listing during such proceedings.

(b) Debarment from participation including removal from empanelled list

Debarment of a delinquent Vendor (including their related entities) for a period (one to two years) from the Bank's procurements including removal from empanelment, wherever such Vendor is empaneled, due to severe deficiencies in performance or other serious transgressions. Reasons which may justify debarment and/or removal of the Vendor from the list of empaneled vendors are:

• Without prejudice to the rights of the Bank under Clause 45, if a Bidder is found by the Bank to have directly or indirectly or through an agent, engaged or indulged in any corrupt/fraudulent/coercive/undesirable or restrictive practices during the bidding Process, such Bidder shall not be eligible to participate in any

EOI/RFP issued by the Bank during a period of 2 (two) years from the date of debarment.

- The Vendor fails to abide by the terms and conditions or to maintain the required technical/operational staff/equipment or there is change in its production/service line affecting its performance adversely, or fails to cooperate or qualify in the review for empanelment;
- If Vendor ceases to exist or ceases to operate in the category of requirements for which it is empaneled;
- Bankruptcy or insolvency on the part of the vendor as declared by a court of law;
- Banning by Ministry/Department or any other Government agency;
- Other than in situations of force majeure, technically qualified Bidder withdraws from the procurement process or after being declared as successful bidder: (i) withdraws from the process; (ii) fails to enter into a Contract; or (iii) fails to provide performance guarantee or any other document or security required in terms of the RFP documents;
- If the Central Bureau of Investigation/CVC/C&AG or Vigilance Department of the Bank or any other investigating agency recommends such a course in respect of a case under investigation;
- Employs a Government servant or the Bank's Officer within two years of his retirement, who has had business dealings with him in an official capacity before retirement; or
- Any other ground, based on which the Bank considers, that continuation of Contract is not in public interest.
- If there is strong justification for believing that the partners/directors/proprietor/agents of the firm/company has been guilty of violation of the code of integrity or Integrity Pact (wherever applicable), evasion or habitual default in payment of any tax levied by law; etc.

(c) Banning from Ministry/Country-wide procurements

For serious transgression of code of integrity, a delinquent Vendor (including their related entities) may be banned/debarred from participation in a procurement process of the Bank including procurement process of any procuring entity of Government of India for a period not exceeding three years commencing from the date of debarment.

41. TERMINATION FOR DEFAULT:

- i. The Bank may, without prejudice to any other remedy for breach of Agreement, written notice of not less than 30 (thirty) days, terminate the Agreement in whole or in part:
 - (a) If Service Provider fails to deliver any or all the obligations within the time period specified in the RFP/Agreement, or any extension thereof granted by the Bank:
 - (b) If Service Provider fails to perform any other obligation(s) under the RFP/Agreement;
 - (c) Violations of any terms and conditions stipulated in the RFP;
 - (d) On happening of any termination event mentioned in the RFP/Agreement.
- i. Prior to providing a written notice of termination to Service Provider, the Bank shall provide Service Provider with a written notice of 30 (thirty) days to cure such breach of the Agreement. If the breach continues or remains unrectified after expiry of cure period, the Bank shall have right to initiate action in accordance with above clause.
- ii. In the event the Bank terminates the Contract in whole or in part for the breaches attributable to Service Provider, the Bank may procure, upon such terms and in such manner as it deems appropriate, Services similar to those undelivered, and subject to limitation of liability clause of this RFP Service Provider shall be liable to the Bank for any increase in cost for such similar Services. However, Service Provider shall continue performance of the Contract to the extent not terminated.
- iii. If the Contract is terminated under any termination clause, Service Provider shall handover all documents/ executable/ Bank's data or any other relevant information to the Bank in timely manner and in proper format as per scope of this RFP and shall also support the orderly transition to another Service Provider or to the Bank.
- iv. During the transition, Service Provider shall also support the Bank on technical queries/support on process implementation.
- v. The Bank's right to terminate the Contract will be in addition to the penalties / liquidated damages and other actions as specified in this RFP.
- vi. In the event of failure of Service Provider to render the Services or in the event of termination of Agreement or expiry of term or otherwise, without prejudice to any other right, the Bank at its sole discretion may make alternate arrangement for getting the Services contracted with another Service Provider. In such case, the Bank shall give prior notice to the existing Service Provider. The existing Service

Provider shall continue to provide services as per the terms of the Agreement until a 'New Service Provider' completely takes over the work. During the transition phase, the existing Service Provider shall render all reasonable assistance to the new Service Provider within such period prescribed by the Bank, at no extra cost to the Bank, for ensuring smooth switch over and continuity of services, provided where transition services are required by the Bank or New Service Provider beyond the term of this Agreement, reasons for which are not attributable to Service Provider, payment shall be made to Service Provider for such additional period on the same rates and payment terms as specified in this Agreement. If existing Service Provider is breach of this obligation, they shall be liable for paying a penalty of 10% of the total Project Cost on demand to the Bank, which may be settled from the payment of invoices or Bank Guarantee for the contracted period or by invocation of Bank Guarantee.

42. FORCE MAJEURE:

- i. Notwithstanding the provisions of terms and conditions contained in this RFP, neither party shall be liable for any delay in in performing its obligations herein if and to the extent that such delay is the result of an event of Force Majeure.
- ii. For the purposes of this clause, 'Force Majeure' means and includes wars, insurrections, revolution, civil disturbance, riots, terrorist acts, public strikes, hartal, bundh, fires, floods, epidemic, quarantine restrictions, freight embargoes, declared general strikes in relevant industries, Vis Major, acts of Government in their sovereign capacity, impeding reasonable performance of Service Provider but does not include any foreseeable events, commercial considerations or those involving fault or negligence on the part of the party claiming Force Majeure.
- iii. If a Force Majeure situation arises, Service Provider shall promptly notify the Bank in writing of such condition and the cause thereof. Unless otherwise directed by the Bank in writing, Service Provider shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

If the Force Majeure situation continues beyond 30 (thirty) days, either party shall have the right to terminate the Agreement by giving a notice to the other party. Neither party shall have any penal liability to the other in respect of the termination of the Agreement as a result of an event of Force Majeure. However, Service Provider shall be entitled to receive payments for all services actually rendered up to the date of the termination of the Agreement.

43. TERMINATION FOR INSOLVENCY:

The Bank may, at any time, terminate the Contract by giving written notice to Service Provider, if Service Provider becomes Bankrupt or insolvent or any application for bankruptcy, insolvency or winding up has been filed against it by any person. In this event, termination will be without compensation to Service Provider, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Bank.

44. TERMINATION FOR CONVENIENCE:

- i. The Bank, by written notice of not less than 90 (ninety) days, may terminate the Contract, in whole or in part, for its convenience, provided same shall not be invoked by the Bank before completion of half of the total Contract period (including the notice period).
- ii. In the event of termination of the Agreement for the Bank's convenience, Service Provider shall be entitled to receive payment for the Services rendered (delivered) up to the effective date of termination.

45. DISPUTES / ARBITRATION (APPLICABLE IN CASE OF SUCCESSFUL BIDDER ONLY):

i. All disputes or differences whatsoever arising between the parties out of or in connection with the Contract (including dispute concerning interpretation) or in discharge of any obligation arising out of the Contract (whether during the progress of work or after completion of such work and whether before or after the termination of the Contract, abandonment or breach of the Contract), shall be settled amicably. If however, the parties are not able to solve them amicably within 30 (thirty) days after dispute occurs as evidenced through the first written communication from any Party notifying the other regarding the disputes, either party (TSCAB or Service Provider), give written notice to other party clearly setting out there in specific dispute(s) and/or difference(s) and shall be referred to a sole arbitrator mutually agreed upon, and the award made in pursuance thereof shall be binding on the parties. In the absence of consensus about the single arbitrator, the dispute may be referred to an arbitration panel; one to be nominated by each party and the said arbitrators shall nominate a presiding arbitrator, before commencing the arbitration proceedings. The arbitration shall be settled in accordance with the applicable Indian Laws and arbitration proceeding shall be conducted in accordance with Arbitration and Conciliation Act 1996 and any amendment thereto. BID FORM (TECHNICAL BID)

[On Company's letter head] (To be included in Technical Bid)

	Date:
To:	
< Address of tendering office >	
Dear Sir,	
Ref: RFP No. IT-Infrastructure/F. No. 01/18/dated: 15.07.2022	2
~~~~~~~	

We have examined the above RFP, the receipt of which is hereby duly acknowledged and we offer to provide Products/Services detailed in this RFP. We shall abide by the terms and conditions spelt out in the RFP. We shall participate and submit the commercial Bid on the date advised to us.

- i. While submitting this Bid, we certify that:
  - The undersigned is authorized to sign on behalf of the Bidder and the necessary support document delegating this authority is enclosed to this letter.
  - We declare that we are not in contravention of conflict of interest obligation mentioned in this RFP.
  - Indicative prices submitted by us have been arrived at without agreement with any other Bidder of this RFP for the purpose of restricting competition.
  - The indicative prices submitted by us have not been disclosed and will not be disclosed to any other Bidder responding to this RFP.
  - We have not induced or attempted to induce any other Bidder to submit or not to submit a Bid for restricting competition.
  - We have quoted for all the Products/Services mentioned in this RFP in our indicative price Bid.
  - The rate quoted in the indicative price Bids are as per the RFP, without any exception.

- ii. We undertake that, in competing for (and, if the award is made to us, in executing) the above contract, we will strictly observe the laws against fraud and corruption in force in India namely "Prevention of Corruption Act 1988".
- iii. We undertake that we will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favor, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Bank, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.
- iv. We undertake that we will not resort to canvassing with any official of the Bank, connected directly or indirectly with the bidding process to derive any undue advantage. We also understand that any violation in this regard, will result in disqualification of bidder from further bidding process.
- v. It is further certified that the contents of our Bid are factually correct. We have not sought any deviation to the terms and conditions of the RFP. We also accept that in the event of any information / data / particulars proving to be incorrect, the Bank will have right to disqualify us from the RFP without prejudice to any other rights available to the Bank.
- vi. We certify that while submitting our Bid document, we have not made any changes in the contents of the RFP document, read with its amendments/clarifications provided by the Bank.
- vii. We agree to abide by all the RFP terms and conditions, contents of Service Level Agreement as per template available at **Annexure-I** of this RFP and the rates quoted therein for the orders awarded by the Bank up to the period prescribed in the RFP, which shall remain binding upon us.
- viii. We hereby undertake that all the components /parts /assembly / software etc. used in the Product to be supplied shall be original new components / parts / assembly / software only, and that no refurbished / duplicate / second hand components /parts/ assembly / software shall be supplied or shall be used or no malicious code are built-in in the Product being supplied.
- ix. Till execution of a formal contract, the RFP, along with the Bank's notification of award by way of issuance of purchase order and our acceptance thereof, would be binding contractual obligation on the Bank and us.

- x. We understand that you are not bound to accept the lowest or any Bid you may receive and you may reject all or any Bid without assigning any reason or giving any explanation whatsoever.
- xi. We hereby certify that our name does not appear in any "Caution" list of RBI / IBA or any other regulatory body for outsourcing activity.
- xii. We hereby certify that on the date of submission of Bid for this RFP, we do not have any past/ present litigation which adversely affect our participation in this RFP or we are not under any debarment/blacklist period for breach of contract/fraud/corrupt practices by any Scheduled Commercial Bank/ Public Sector Undertaking/Co-Operative banks State or Central Government or their agencies/departments.
- xiii. We hereby certify that we have a support center and level 3 escalation (highest) located in India.
- xiv. We hereby certify that on the date of submission of Bid, we do not have any Service Level Agreement pending to be signed with the Bank for more than 6 months from the date of issue of purchase order.
- xv. If our Bid is accepted, we undertake to enter into and execute at our cost, when called upon by the Bank to do so, a contract in the prescribed form and we shall be solely responsible for the due performance of the contract.
- xvi. We, further, hereby undertake and agree to abide by all the terms and conditions stipulated by the Bank in the RFP document.

## **Technical & Functional Specifications**

	Web Application Firewall (WAF)	Bidder's Response	Compliance(Y/N)
S. No.	Description		
	Make		
	Model		
	Hardware Details		
1	The Web Application Firewall should have been in the Gartner's Magic Quadrant for "Web Application Firewall" in latest report. The proposed solution should be a purpose built dedicated stand-alone appliance.		
2	The Web Application Firewall shall have at least 4 ports and optional 4 more		
3	The Web Application Firewall shall have at least one 100/1000 Base Tx Port for out of bound management.		
4	The Web Application Firewall shall have a console port based on RS-232 / RJ-45 for configuration and diagnostic purposes.		
5	The Web Application Firewall shall have enough CPU capacity and Memory so as to efficiently meet all the capability parameters as well as functionalities laid down in the specifications.		
6	The Web Application Firewall hardware shall be designed to run both IPv4 & IPv6 simultaneously (Dual Stack) from day one.		
7	The Web Application Firewall shall be capable of working with AC Power supply with a Voltage varying from 170 –240 Volts at 50 +/- 2 Hz.		
8	The Web Application Firewall shall have internal Redundant Power Supply (RPS). The primary as well as redundant power supply shall be hot swappable and no downtime / reboot shall be required for addition / removal of power supply module.		
	Solution Capabilities:		
9	The Web Application Firewall shall have minimum 650 Mbps Web Application Firewall throughput. (The proposed solution should provide minimum of 650 Mbps WAF Throughput		

	per instance from day one (with all WAF	
	functions enabled per instance in blocking mode)	
	with sub millisecond latency.	
10	The Web Application Firewall shall have minimum 3000 SSL TPS	
11	The Web Application Firewall Solution shall support HTTP1.0, HTTP1.1 & HTTP/2 protocols.	
12	The Web Application Firewall Solution shall be configured in High Availability Cluster Mode	
13	The Solution must have the capability to provide threat intelligence emergency feed service. This service shall provide the latest set of signatures from the solution vendor to mitigate zero-day vulnerabilities as soon as they are identified.	
	Web Application Firewall Functional	
	Requirements:	
	The Web Application Firewall shall support following Mode of deployment:	
14	a. Reverse proxy deployment	
	b. Cluster deployment	
	c. Inline bridge deployment	
15	The Web application firewall shall support both a positive security model and a negative security model. A negative security model explicitly defines known attack signatures. The negative security model shall include a pre-configured comprehensive and accurate list of attack signatures and Web application firewall shall allow signatures to be modified by the administrator.	
16	The Web Application Firewall shall be able to learn the Web Application Structure & elements to address the difficulty of configuring the positive security model.	
17	The Web application firewall in learning mode shall be able to recognize application changes while simultaneously protecting Web applications and learned values shall be used as the configuration for input checking in the positive security model.	
18	The Web application firewall shall support custom security rules. Administrators shall be	

	able to define rules for the positive or negative security models.	
	The Web Application Firewall shall support	
	following Action Mode:	
19	a. Block	
	b. Block & Report	
	c. Report only	
	The Web Application Firewall shall support full	
	coverage of OWASP Top 10 web application	
	security risks:	
	a. A01-Broken Access Control	
	b. A02-Cryptographic Failures previously known	
	as Sensitive Data Exposure	
20	c. A03-Injection	
20	d. A04-Insecure Design	
	e. A05-Security Misconfiguration	
	f. A06-Vulnerable and Outdated Components	
	g. A07-Identification and Authentication Failures	
	h. A08-Software and Data Integrity Failures	
	i. A09-Security Logging and Monitoring Failures	
	j. A10-Server-Side Request Forgery (SSRF)	
	The Web Application Firewall shall prevent	
	Following attacks:	
	a. XSS	
	b. SQL injection	
	c. Directory\path traversal	
	d. Forceful browsing	
	e. HTTP response splitting	
	f. OS command injection	
	g. LDAP injection	
21	h. SSI injections	
	i. XPath injection	
	j. Sensitive information leakage (e.g. CCN, SSN,	
	custom defined)	
	k. Application DOS / DDOS	
	I. CSRF	
	m. Evasion and illegal encoding	
	n. XML validation	
	o. Web services method restrictions and	
	validation	

	T	T	
	p. HTTP RFC violations		
	q. Form field tampering		
	r. Parameter tampering		
	s. From field manipulation		
	t. Session hijacking		
	u. Protocol validation		
	v. XML and Web services protection		
	w. Web application vulnerabilities		
	x. Cookie poisoning		
	y. Application buffer overflow		
	z. Brute force		
	aa. Access to predictable resource locations		
	bb. Unauthorized navigation		
	cc. Web server reconnaissance		
	dd. HTTP request format and limitation violations		
	(size, unknown method, etc.)		
	ee. Use of revoked or expired client certificate		
	ff. File upload violations		
22	The Web Application Firewall shall support Zero-		
	day attacks prevention.		
	The Web Application Firewall should protect		
	against Sensitive Data Leakage protection using		
	response scrub. It should		
	have minimum features like:  PHP information leakages, IIS default location,		
23	ASP / JSP source code leakages, SQL		
	error leakages, Directory Listing, HTTP Header		
	Leakage, Access to admin folder,		
	Slowloris and other low & slow availability		
	attacks, Prevention of Error messages leakage.		
	The Web Application Firewall shall be able to		
24	prevent automated layer 7 DDoS attacks, web		
	scraping, and brute force attacks from being		
	directed to the site.		
25	The Web Application Firewall should support activity tracking to detect bad bot traffic.		
26	The Web Application Firewall shall have "anti- automation" protection which can block the		
	automated attacks using hacking tools, scripts,		
	frame work etc.		
	1		

27	The Web Application Firewall shall support attack expert system and shall provide an immediate, detailed description of the attack, as well as enhanced visibility into the mitigation techniques used to detect and prevent the attack.	
28	The Web Application Firewall shall support Web scrapping using java script with support for white list of scrappers for allowable scrapping.	
29	The Web Application Firewall must be able to protect Web Scraping by configuring customized rules/scripts e.g. rule to detect & drop a POST request to a specific URL that does not have cookie inserted by WAF/ADC/SLB.	
30	The Web Application Firewall shall support AJAX/JSON application security for interactive web2.0 based applications.	
31	The Web Application Firewall shall have Integrated XML firewall to provide application-specific XML filtering and validation functions that ensure that the XML input of web-based applications is properly structured. It Shall provide schema validation, common attacks mitigation, and XML parser denial-of-service prevention.	
32	The Web Application Firewall shall support server cloaking which hides error pages and application error information.	
33	The Web Application Firewall shall support integration with VA scanning tools to import the xml report and provide quick fix of the vulnerabilities.	
34	The Web Application Firewall shall provide Data leak prevention by Identifying and blocking sensitive information transmission such as credit card numbers/debit card numbers.	
35	The Web Application Firewall shall fully address PCI DSS requirements.	
36	The Web Application Firewall shall have PCI compliance report.	
37	The Web Application Firewall shall have option to define black-list and white-list IP address.

#### NON-DISCLOSURE AGREEMENT

THIS AGREEMENT (the "Agreement") is entered into on thisday of by and between
Telangana State Co-operative Apex Bank Ltd, a body corporate constituted and functionin under the Telangana Co-Operative Societies Act, 1964 having its Head Office at Troo Bazar Hyderabad - 500001 represented by herein (hereinafter calle Disclosing Party or the "Bank"),
and
with and address at (the "Receiving Party" or the "Company").

The Disclosing Party is in possession of certain information defined hereunder as Confidential Information and has agreed to disclose to the Receiving Party the Confidential Information on a strictly confidential basis which comes as part of scope of the work. During the said process, Disclosing Party may share certain confidential or proprietary information with the Recipient. Therefore, in consideration of the mutual promises and covenants contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

#### 1. Definition of Confidential Information.

- (a) For purposes of this Agreement, "Confidential Information" means any data or information that is confidential or proprietary to the Disclosing Party and not generally known to the public, whether in tangible or intangible form, whenever and however disclosed, including, but not limited to:
  - (i) Customer name and other information related to customers
  - (ii) any marketing strategies, plans, financial information, or projections, operations, sales estimates, business plans and performance results relating to the past, present or future business activities of such party, its affiliates, subsidiaries and affiliated companies;
  - (iii) Plans for products or services, and customer or supplier lists;
  - (iv) Any scientific or technical information, invention, design, process, procedure, formula, improvement, technology or method;
  - (v) any concepts, reports, data, know-how, works-in-progress, designs, development tools, specifications, computer software, source code, object code, flow charts, databases, inventions, information and trade secrets; and
  - (vi) Any other information that should reasonably be recognized as confidential information of the Disclosing Party. Confidential Information need not be novel,

unique, patentable, copyrightable or constitute a trade secret in order to be designated Confidential Information.

The Receiving Party acknowledges that the Confidential Information is proprietary to the Disclosing Party, has been developed and obtained through great efforts by the Disclosing Party and that Disclosing Party regards all of its Confidential Information as trade secrets

- (b) Notwithstanding anything in the foregoing to the contrary, Confidential Information shall not include information which:
  - (i) Was known to the Receiving Party prior to receiving the Confidential Information from the Disclosing Party;
  - (ii) Becomes rightfully known to the Receiving Party from a third-party source not known (after diligent inquiry) by the Receiving Party to be under an obligation to Disclosing Party to maintain confidentiality;
  - (iii) Is or becomes publicly available through no fault of the Receiving Party;
  - (iv) is required to be disclosed in a judicial or proceeding, or is otherwise requested or required to be disclosed by law or regulation, although the requirements of paragraph 4 hereof shall apply prior to any disclosure being made; and
  - (v) Is or has been independently developed by employees, consultants or agents of the Receiving Party without violation of the terms of this Agreement or reference or access to any Confidential Information.

#### 2. Disclosure of Confidential Information.

From time to time, the Disclosing Party may disclose Confidential Information to the Receiving Party. The Receiving Party will:

- (i) along with its representatives, make use of the Confidential Information solely for the purpose of the Agreement or such other purposes from time to time agreed or consented to by the Disclosing Party as evidenced in writing
- (ii) limit disclosure of any Confidential Information to its directors, officers, employees, agents or representatives (collectively "**Representatives**") who have a need to know such Confidential Information in connection with the current or contemplated business relationship between the parties to which this Agreement relates, and only for that purpose;
- (iii) prior to making any disclosure of such Confidential Information as permitted under this Agreement, will ensure that the Representatives are under a prior written obligation to maintain such information as confidential and to use such information only for the contemplated purpose;
- (iv) along with its Representatives use such measures and/or procedures as it uses in relation to its own confidential information and trade secrets to hold and keep in confidence any and all such Confidential information and comply with the terms of this Agreement.
- (v) and not to disclose any Confidential Information received by it through any third parties.
- (vi) be solely responsible for any breach of the terms of this Agreement by any of its Representatives or the Sub-Contractors and any act or omission by any of its Representatives or the Sub-Contractors which would constitute breach of the terms

of this Agreement and shall take all reasonable measures to restrain such Representatives or the Sub-Contractors from unauthorized disclosure or use of the Confidential Information and that Receiving Party acknowledges and agree that Disclosing Party shall have right to all its legal remedies directly against Receiving Party as if such breach is made by the Receiving Party itself without proceeding at the first instance against Representatives or the Sub-Contractors.

#### 3. Use of Confidential Information.

The Receiving Party agrees to use the Confidential Information solely in connection with the current or contemplated business relationship between the parties as mentioned in this agreement and not for any purpose other than as authorized by this Agreement without the prior written consent of an authorized representative of the Disclosing Party. No other right or license, whether expressed or implied, in the Confidential Information is granted to the Receiving Party hereunder. Title to the Confidential Information will remain solely with the Disclosing Party. All use of Confidential Information by the Receiving Party shall be for the benefit of the Disclosing Party and any modifications and improvements thereof by the Receiving Party shall be the sole property of the Disclosing Party.

#### 4. Compelled Disclosure of Confidential Information.

Notwithstanding anything in the foregoing to the contrary, the Receiving Party may disclose Confidential Information pursuant to any governmental, judicial, or administrative order, subpoena, discovery request, regulatory request or similar method, provided that the Receiving Party promptly notifies, to the extent practicable, the Disclosing Party in writing of such demand for disclosure so that the Disclosing Party, at its sole expense, may seek to make such disclosure subject to a protective order or other appropriate remedy to preserve the confidentiality of the Confidential Information. The Receiving Party agrees that it shall not oppose and shall cooperate with efforts by, to the extent practicable, the Disclosing Party with respect to any such request for a protective order or other relief. Notwithstanding the foregoing, if the Disclosing Party is unable to obtain or does not seek a protective order and the Receiving Party is legally requested or required to disclose such Confidential Information, disclosure of such Confidential Information may be made without liability.

#### 5. Term.

This Agreement shall remain in effect for 3 years (*duration of the Original Agreement plus 10 years) (subject to a one-year extension if the parties are still discussing and considering the Transaction at the end of the third year). Notwithstanding the foregoing, the parties' duty to hold in confidence Confidential Information that was disclosed during term shall remain in effect indefinitely.

#### 6. Remedies.

Both parties acknowledge that the Confidential Information to be disclosed hereunder is of a unique and valuable character, and that the unauthorized dissemination of the Confidential Information would destroy or diminish the value of such information.

Therefore, both parties hereby agree that the Disclosing Party shall be entitled to injunctive relief preventing the dissemination of any Confidential Information in violation of the terms hereof. Such injunctive relief shall be in addition to any other remedies available hereunder, whether at law or in equity. Disclosing Party shall be entitled to recover Damages consisting a sum equal to the loss suffered by the Disclosing Party including loss of business opportunity, costs of business interruption its costs and fees, including reasonable attorneys' fees, incurred in obtaining any such relief. Further, in the event of litigation relating to this Agreement, the prevailing party shall be entitled to recover its reasonable attorney's fees and expenses.

#### 7. Return of Confidential Information.

Receiving Party shall immediately return and redeliver to the other all tangible material embodying the Confidential Information provided hereunder and all notes, summaries, memoranda, drawings, manuals, records, excerpts or derivative information deriving there from and all other documents or materials ("Notes") (and all copies of any of the foregoing, including "copies" that have been converted to computerized media in the form of image, data or word processing files either manually or by image capture) based on or including any Confidential Information, in whatever form of storage or retrieval, upon the earlier of (i) the completion or termination of the dealings between the parties contemplated hereunder; (ii) the termination of this Agreement; or (iii) at such time as the Disclosing Party may so request. Alternatively, the Receiving Party, with the written consent of the Disclosing Party may (or in the case of Notes, at the Receiving Party's option) immediately destroy any of the foregoing embodying Confidential Information (or the reasonably non-recoverable data erasure of computerized data) and, upon request, certify in writing such destruction by an authorized officer of the Receiving Party supervising the destruction.

#### 8. Notice of Breach.

Receiving Party shall notify the Disclosing Party immediately upon discovery of any unauthorized use or disclosure of Confidential Information by Receiving Party or its Representatives, or any other breach of this Agreement by Receiving Party or its Representatives, and will cooperate with efforts by the Disclosing Party to help the Disclosing Party regain possession of Confidential Information and prevent its further unauthorized use.

### 9. No Binding Agreement for Transaction.

The parties agree that neither party will be under any legal obligation of any kind whatsoever with respect to a Transaction by virtue of this Agreement, except for the matters specifically agreed to herein. The parties further acknowledge and agree that they each reserve the right, in their sole and absolute discretion, to reject any and all proposals and to terminate discussions and negotiations with respect to a Transaction at any time as per the respective agreement. This Agreement does not create a joint venture or partnership between the parties. If a transaction goes forward, the non-disclosure provisions of any applicable transaction documents entered into between the parties (or their respective affiliates) for the Transaction shall be deemed to be complementary/supplementary to the

provisions of this Agreement and not contrary/derogatory to the provisions of this Agreement to the extent possible.

#### 10. Warranty

Each party warrants that it has the right to make the disclosures under this Agreement. NO WARRANTIES ARE MADE BY EITHER PARTY UNDER THIS AGREEMENT WHATSOEVER. The parties acknowledge that although they shall each endeavor to include in the Confidential Information all information that they each believe relevant for the purpose of the evaluation of a Transaction, the parties understand that no representation or warranty as to the accuracy or completeness of the Confidential Information is being made by either party as the Disclosing Party. Further, neither party is under any obligation under this Agreement to disclose any Confidential Information it chooses not to disclose. Neither Party hereto shall have any liability to the other party nor to the other party's Representatives resulting from any use of the Confidential Information except with respect to disclosure of such Confidential Information in violation of this Agreement.

11. Effective Date of the Agreement: This Agreement shall be effective upon its execution by both the parties.

#### 11. Miscellaneous.

- a) This Agreement can only be modified by a written amendment signed by the party against whom enforcement of such modification is sought.
- b) The validity, construction and performance of this Agreement shall be governed and construed in accordance with the laws of Telangana (state), India applicable to contracts made and to be wholly performed within such state, without giving effect to any conflict of law's provisions thereof.
- c) Any failure by either party to enforce the other party's strict performance of any provision of this Agreement will not constitute a waiver of its right to subsequently enforce such provision or any other provision of this Agreement.
- d) Although the restrictions contained in this Agreement are considered by the parties to be reasonable for the purpose of protecting the Confidential Information, if any such restriction is found by a court of competent jurisdiction to be unenforceable, such provision will be modified, rewritten or interpreted to include as much of its nature and scope as will render it enforceable. If it cannot be so modified, rewritten or interpreted to be enforceable in any respect, it will not be given effect, and the remainder of the Agreement will be enforced as if such provision was not included.
- e) Any notices or communications required or permitted to be given hereunder may be delivered by hand against acknowledgement, deposited with a nationally recognized overnight carrier against acknowledgement, electronic-mail, or registered post with acknowledgement, in each case, to the address of the other party first indicated above

- f) This Agreement is personal in nature, and neither party may directly or indirectly assign or transfer it by operation of law or otherwise without the prior written consent of the other party and any such assignment without consent will be held void ab initio. All obligations contained in this Agreement shall extend to and be binding upon the parties to this Agreement and their respective successors, assigns and designees.
- g) The parties and/or their affiliates of whatsoever nature shall not, in any manner, solicit and/or accept any business from sources that have been made available by and through the parties hereto, nor in any manner shall access, solicit and/or conduct any business with the said sources, without specific permission of the Party who made said sources available. For avoidance of doubt, this restriction shall apply only to business related to the Assignment which is the subject matter of this Agreement and not any other Assignment or business.
- h) Paragraph headings used in this Agreement are for reference only and shall not be used or relied upon in the interpretation of this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement as of the date first above written.
